Until 100 Lots Are Sold

10% Down and 5% a Month Without Interest or Taxes

I will offer 100 lots only, your selection, out of the five hundred unsold in the TERRACE ADDITION, at the above liberal terms and discounts from the regular selling prices that have been in force for the past three years, and from which \$30,000 worth have been sold at map prices.

This addition is close in, all between the State University and the business section. Overlooks the Rio Grande Valley for miles and is undoubtedly the coming residence section of the city.

A glance at a map of Albuquerque shows that the city's growth must be eastward and as Albuquerque will steadily grow to a large sized city---don't make any mistake about that --- these lots from a purely speculative basis are a fine in. vestment. I have a few city maps for outside purchasers, showing the TER-RACE ADDITION in full.
